**TO ALL TENANTS**

Dear valued tenant,

**RE: ATTEMPTED FRAUD**

We have been informed by one of our long-standing tenants, that someone emailed them, informing them that we have changed our banking details. A fraudulent company letter and bank confirmation was attached to the email.

Please note that this is attempted fraud.

We have not changed our banking details, and if we do in future, formal communication will be disseminated.

*For commercial government and key account tenants:*

Could you please forward this to the appropriate person in your finance department to ensure no payments are made to individuals purporting to be officials from our company.

Should you receive similar communication in future, question the legitimacy of the documentation supplied.

You are welcome to contact us to confirm details.

Yours faithfully,

**Jeffrey Wapnick**

**MANAGING DIRECTOR**
