

Dear Tenant

## **KEEPING SAFE DURING THESE FESTIVE TIMES**

As the year draw to a close, we would like to thank you for support through what has been a challenging year.

Without your assistance in helping us to flatten the Coronavirus curve, it would not have been possible to limit the spread of infections as we did over the last couple of months. We would like to thank you for working with us during this time.

As we face a resurgence of infections, we are once again asking you to do your bit by wearing your masks, practice social distancing and washing your hands.

As most of us will be spending time with family and friends this festive season we're calling on you to continue to be vigilant and to put the health and safety of you and your loved ones first.

We know it will be challenging, but as president Ramaphosa said earlier this week "we need to do things differently to previous years because this year is unlike any other we have lived through before."

Please keep your celebrations small and avoid crowds. If you're spending time with other people, please do so outside, and if you travel, make sure you travel safely.

Despite the restrictions imposed by our government, this season can still be festive and safe.

We would like to wish you a joyful festive season and a happy, healthy and prosperous new year.

Take care

City Property
