

GENERAL NOTICE TO STEYN'S PLACE TENANTS

Dear tenant

We have some exciting news to share.

In the coming weeks, we will be testing technology that will provide safer and easier access to the property.

We have identified a group of your fellow tenants who will be testing the system which will impact residential, commercial and parking, providing us with valuable input from a user point of view.

You will not be affected by any construction and will be able to continue using the current biometric system that is in place.

If you have any questions please reach out to our property management team on site. Alternatively, you can get in touch on our email, propworld@cityprop.co.za or WhatsApp number, 082 890 0454.

We would like to thank you for your cooperation as we explore alternatives to make your stay with us safe and convenient.

Kind Regards

Steyn's Place property management
