

Dear Tenant

LEISURE AND BRAAI AREAS ACCESS

We'd like to thank you for your support during the last few months.

On Sunday night our president announced new restrictions as we face the third wave of Covid infections. Although we all have been through a challenging year that has affected our lives and livelihoods, we must play our part again. The regulations of Adjusted Alert Level 4 will restrict movement of people and gatherings (except funerals, attending the workplace or buying food or services) are prohibited.

We support these measures to keep ourselves, our families and communities safe. As President Ramaphosa said in his address to the nation, we have another hill to climb. We remain committed to do what needs to be done to get us through this phase.

Similar to last year, our leisure areas, gyms and play areas will be closed, but braais can be used to prepare food. You will not be allowed to gather in this area.

Remember that restaurants and eateries are allowed to sell take-away food, so please support these small businesses as they are also impacted by the lockdown measures.

Together we can do what needs to be done, like we have before when we faced the previous two waves. Please take personal responsibility to safeguard yourself, your loved ones and those surrounding you. The best way to stop the spread of the pandemic is to wear your mask, practice social distancing, and continue to wash your hands.

Should you test positive for Covid-19, please inform us. We assure you that your medical information remains confidential. We have put support services in place to assist you should you be in quarantine or self-isolation.

A reminder that your building and property manager is your first point of contact. You can stay in touch through our WhatsApp line – 082 890 0454, telephone 012 319 8700 or email - propworld@cityprop.co.za

Take care
